

Asbestos Training For Administrators (LEA Designee)

Thursday, July 17, 2014
8:30 a.m. to 3:30 p.m.

Schools Insurance Authority
9800 Old Placerville Road, Suite 100
Sacramento 95827
(parking lot and front door on Granby Road)

Each school district is required to have a trained asbestos designated person on staff to insure that the EPA AHERA requirements regarding asbestos are fulfilled. Each designee must receive training on the health effects of asbestos, the detection, identification and assessment of asbestos containing materials (ACM), asbestos management programs, and relevant Federal and State regulations

This 6-hour training will meet the Designee training requirements and will be conducted by **Rick Beall**, CIH, CSP, of Entek Consulting Group, Inc.

Lunch is included, so please RSVP to Lisa Konarski at lkonarski@sia-jpa.org or (916) 364-1281, ext 257.

PARKING NOTE - To avoid being towed, please park in spaces marked "SIA Suite 100"
